

On 1 and 4 of February, 2011, in the office of Local Democracy Agency (LDA) Georgia, there was held the Business Help Desk (BHD) web-page presentation, in the frame of the project - *"Georgian Diaspora for Development of Kutaisi"*.

The Executive Director of LDA Georgia Mr. Ioseb Khakhaleishvili welcomed the guests and gave the information about the project acquired results, future plans and perspectives to the representatives of Non-Governmental Organizations, Local Authority and private sector.

The Project business-expert Mr. Kakhaber Gvantseladze represented the information of BHD web-page and the service-opportunities which would contribute and help the entrepreneurs to deal the process of enterprises, to improve the quality of products and services, to introduction of innovative systems and technologies, to search new market or business partner.

During the presentation, Mrs. Marekhi Togonidze - the head of Georgian Diaspora, Georgian Fund in Holland - was involved into the online conference, from Holland. She noticed and heeded about the new service "Partner-search in Holland" and answered the questions of local representatives.
