

Union for Young People with Fewer Opportunities

On 23-27 of April, 2011, there was organized partnership building seminar in Gaziantep (Turkey) by Gaziantep Youth & Culture Association.

Local Democracy Agency Georgia was one of the 10 organizations involved into the seminar. The main topic of the meeting was Fewer Opportunity People.

2 Participants – Teona Chulukhadze and Tamar Subeliani were sent by Local Democracy Agency Georgia.

They represented LDA Georgia and made the organization and country presentation there. Both were actively involved into the seminar's activities and working in their teams.

Each project day was interesting and different from the others with cultural evenings, country presentations, energizers, team building activities, organizations presentations, games, etc.

During the working process were created some productive projects which can be implementing for future.

The idea of the meeting, to build partnership and create new projects, laid the foundation, which should be progressed for the next future.
